International Workshop on Recent Advances in Operator Semigroups

Venue : Department of Mathematics, University of Delhi, Delhi

December 18 -21, 2017

This workshop is aimed at mathematicians working in Operator semigroups and areas which have close connections to such semigroups. The objective is to bring together experts as well as young researchers working in such areas for an exchange of ideas and provide Indian graduate students and researchers exposure to the cutting edge developments in the field.

- ◆ Franco Fagnola (Milan)
- ◆ M.Mokhtar-Kharroubi (Besançon)
- ◆ Martin Lindsay (Lancaster) (TBC)
- ◆ Pedro J. Maina (Zaragoza)
- ◆ Sylvie Monniaux (Marseilles)
- ◆ Narayanan Namboodiri (Cochin)
- ◆ Lassi Paunnonen (Tampere)
- ◆ David Seifert (Oxford)
- ◆ Lutz Weis (Karlshue)

Mini Courses

- ◆ Ralph Chill (Dresden)
- ◆ Kalyan B. Sinha (Bangalore)

Website:

<https://sites.google.com/site/semigroupsconf/>

Scientific Committee

- ◆ Charles Batty, University of Oxford
- ◆ Rajendra Bhatia, ISI, Delhi
- ◆ Dinesh Singh, University of Delhi
- ◆ Kalyan B. Sinha, JNCASR, Bangalore, (Chairperson)
- ◆ Sachi Srivastava, University of Delhi

Advisory Committee

- ◆ Tarun Das, University of Delhi
- ◆ Ajay Kumar, University of Delhi
- ◆ V. Ravichandran, University of Delhi

Organising Committee

- ◆ Dharmendra Kumar, Satyawati College (Evening), University of Delhi
- ◆ Surendra Kumar, University of Delhi
- ◆ Ratikanta Panda, University of Delhi
- ◆ Pratima Rai, University of Delhi
- ◆ Sachi Srivastava, University of Delhi (Convener)

Applications for participation as well as for presenting a paper/ poster in the workshop, in the prescribed format, should be sent in by 16thOctober, 2017. Please refer to the workshop website for details.
